

Keystone Pavers – 12 x 24 Sandblasted

Keystone Pavers – 12×24 Sandblasted Pavers offer a sleek, modern design with a larger format, making them perfect for both indoor and outdoor applications.

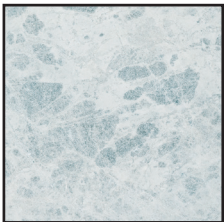

Large-Format Design: The 12×24 size provides a contemporary, spacious look that is ideal for creating bold statements in indoor areas such as living rooms, kitchens, and hallways, as well as expansive outdoor settings.

Sandblasted Finish: The sandblasted texture not only offers an attractive aesthetic but also provides a non-slip surface, making it a great option for indoor floors and high-traffic areas.

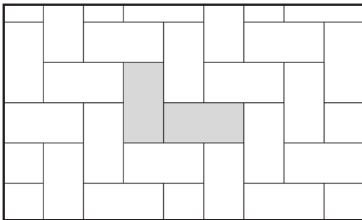

Versatile for Both Indoor and Outdoor Use:

These pavers are perfect for a range of applications, whether it's creating a stylish indoor floor or enhancing the look of your outdoor patio, driveway, or walkway.
