Keystone Pavers – 6×12 Travertine Tumbled Pavers offer a clean, sophisticated look that is perfect for both indoor and outdoor applications. Crafted from premium travertine, these pavers bring a timeless elegance and high-end feel to any space.

Elegant, Sophisticated Appearance: The natural beauty of travertine, coupled with the tumbled finish, creates a refined aesthetic that works beautifully in both indoor and outdoor settings, such as living rooms, kitchens, patios, and entryways.

Durable & Long-Lasting: Built to withstand heavy foot traffic, Keystone 6×12 Travertine Tumbled Pavers are ideal for high-traffic indoor spaces, offering both beauty and durability.

Versatile for Multiple Applications: Perfect for a variety of indoor applications like flooring, as well as outdoor projects including patios, walkways, and pool decks, ensuring a cohesive, high-end look throughout your property.

Easy Maintenance: The durable travertine material is easy to clean and maintain, making it a great option for both indoor and outdoor use.
